ICT Enabled Teaching Learning Process

Our institution harnesses Information and Communication Technology (ICT) to create a dynamic, student-centric learning environment. ICT-enabled teaching-learning initiatives include:

1. **Google Classroom**: Virtual classrooms for collaborative learning, assignments, and feedbacks.
2. **NPTEL** (National Programme on Technology Enhanced Learning): Utilization of NPTEL resources for enhanced learning.
3. **SWAYAM** (Study Webs of Active-Learning for Young Aspiring Minds): Leveraging SWAYAM courses for online learning.
4. **Digital Content**: E-content, video lectures and multimedia presentations.
5. **Projector-Based Learning**: Utilization of projectors for interactive lectures and presentations.
6. **YouTube Lectures**: Integration of relevant YouTube lectures to supplement teaching-learning.
7. **Online Assessments**: Quizzes, tests and examinations.
8. **Student Feedback Mechanisms**: Online feedback and support systems.
